Celebrating Women

**Spa Hand
and Body Lotion**

**Yarrow Pom
Serum 44ml**

Easily blend with your favorite essential oil for a customized aromatic experience.

Sunflower and macadamia seed oils are known for their exceptional moisturizing properties and ability to retain moisture in the skin.

doTERRA®

Yarrow/Pom

Body Renewal
Serum

100 mL / 3.4 fl oz

WHAT MAKES YARROW POM BODY RENEWAL SERUM DIFFERENT?

Yarrow Pom Body Renewal Serum is designed to maintain young- and healthy-looking skin. It moisturizes and nourishes, keeping your skin smooth, firm, and glowing. The serum features the Yarrow Pom essential oil you already know and love, but is also packed with powerful bioactive compounds, proteins, and other essential oils selected to provide the ultimate luxurious naturally sourced skin care experience.

- Yarrow essential oil helps promote younger-looking skin, and Peppermint essential oil provides a cooling effect. Meanwhile, Roman Chamomile, Yuzu, and Cananga essential oils soothe the skin and offer a positive, relaxing aroma.

- Cold-pressed Pomegranate Seed oil supports the skin's natural barrier. Pomegranate esters help give your skin a luminous glow and youthful-looking firmness.

- Avocado, Jojoba, Sunflower, Grape Seed, and Argan Kernel oils all provide deep moisturizing benefits to help reduce premature signs of aging. Avocado oil specifically protects the skin's moisture level by reducing water loss through the skin to help reduce future visible signs of normal aging.

- Coffee Seed Extract improves skin texture and helps smooth and rejuvenate the skin for that vibrant radiance we all desire.

HOW DO I USE YARROW|POM BODY RENEWAL SERUM?

Like all skin care products, the effectiveness of the dōTERRA Yarrow|Pom Body Renewal Serum relies on consistent use. To increase moisture levels and give your skin a lasting, youthful glow, apply twice per day by lightly massaging into the skin until it is absorbed.

Neroli Testimony -

Today, I had a very dear friend share her testimony with our Neroli Touch Oil. She had tripped over a gate and had hit her ankle, among other things, and she was so thankful to have and apply her oils to these areas that she knew would be bruised. She applied Frankincense, Helichrysum, and Neroli (for swelling). After a couple of days, she noticed an added benefit to applying the Neroli. Her spider veins near around her ankle were starting to fade away! If you have spider veins, you might want to start using Neroli!

17:04 ✓

Neroli Touch

A T N

SOURCED FROM:

WHAT IT TAKES TO MAKE A BOTTLE:

=

Neroli essential oil comes from steam distilling the blossoms of the bitter orange tree.

CHEMISTRY:

The main chemical constituents and associated benefits of neroli are:

cleansing
calming
fragrant
cleansing

Graph represents chemical compounds most prevalent in the essential oil. Additional constituents may be found.

RESEARCH:

950+

Published studies on the benefits of limonene, the main chemical constituent in neroli

Numbers according to Published as of December 2017

FUN FACT

The bitter orange tree is native to East Asia; however it has been growing in Egypt since it was introduced in the 10th Century.

WORKS WELL WITH:

dōTERRA®

WAYS TO USE T H I N K E R[®]

1. Roll in palms and inhale directly from cupped hands for a **positive test-taking experience**
2. Apply to back of neck or spine when **feeling stressed**
3. Roll on your **child's wrists** during study time
4. Apply under nose to help with **mental clarity**
5. **Apply along spine** when overwhelmed or overthinking
6. Roll on chest when **feeling anxious**
7. Apply on pulse points when **feeling disconnected**
8. Apply on **bottoms of feet** when feeling ungrounded
9. Roll on palms, cup palms, and inhale **when stuck in an afternoon slump**
10. Roll on to **diffuser jewelry**

Usage Tips:

Empowering Women Worldwide

Here are just a few examples of how dōTERRA is empowering women around the world:

Wellness Advocates

Did you know that the vast majority of dōTERRA Wellness Advocates are Women? We are constantly amazed by these incredible, ambitious women who come from various personal and professional backgrounds, lead and inspire large teams, and educate thousands about the benefits of dōTERRA's products—all in addition to everything else going on in their lives.

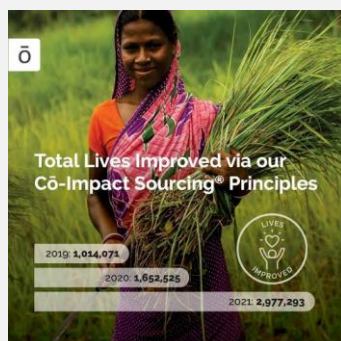

Co-Impact Sourcing Partners

Critically important to the quality of dōTERRA's essential oils is purity. We have found that the very best way to ensure purity is to work directly at the source with farmers and distillers. One way we could approach sourcing would be to build large farms to grow and distill all the plants we need in a large congregated area. That approach would be much easier and more cost effective. However, that's not dōTERRA. We live by the mantra, "Source the best and help the most."

In order to do this, we partner with small-scale farmers, harvesters, and distillers through a program we call Co-Impact Sourcing.

Today, dōTERRA sources over 170 essential oils from 45 countries. It's complex, but it allows us to partner with hundreds of thousands of sourcing partners and their families. Of these individuals, dōTERRA works with 98,741 women who contribute to essential oil production as farmers, harvesters, and distillers. Working with Co-Impact Sourcing, these women lead and provide for their families, often enabling their children—especially their daughters—to attend school and participate in growth opportunities that might otherwise be unavailable.

Women Employed by dōTERRA
Sourcing: Asia and Oceania: 66,365
Europe: 1,511
North America: 7,241
South America: 15,895
Africa: 7,729
Total: 98,741

dōTERRA Healing Hands Foundation

Did you know that globally, 39% of rural girls are unable to attend school? Or that women in developing countries are 25x more likely to die during childbirth than women in developed countries? Empowering women to get an education, pursue a career, and meet their healthcare needs is a work worth doing. Through education—whether it's about their own health or how to achieve basic financial goals and entrepreneurship—the dōTERRA Healing Hands Foundation assists women in their journey to not only be self-reliant but serve as contributors to a better functioning society.
